

## ***INTRODUCING THE LTHS PTSA GRADUATION CORD PROGRAM!***

Beginning with the Class of 2024, all LTHS students will have the opportunity to earn a graduation cord from our Lebanon Trail PTSA (Parent Teacher Student Association).

The honor cord is a long-standing tradition of recognizing and celebrating students in high schools and colleges. At the high school level, graduation cords symbolize accomplishments such as academic excellence, leadership skills, community service, and contributions to extracurricular activities. The cord is an entwined rope with a tassel attached to each end, and is worn around the neck on top of the graduation gown.

The LTHS PTSA cord color will be emerald green which symbolizes community service through volunteering with our PTSA to engage all students in partnership with parents and teachers to support and improve the LT community.

For the classes of 2024, 2025, and 2026, a graduated point system is in place to enable you to earn a graduation cord starting with your current grade:

Class of 2024: **15 points**  
Class of 2025: **30 points**  
Class of 2026: **45 points**  
Class of 2027 & beyond: **60 points**
